Open Canva and log in to your account. If you don't have one,

you can sign up for free.

Canva offers many pre-designed infographic templates. You can select one that suits your style or start with a blank canvas.

Choose a color palette

that complements your content and maintains visual consistency.

"Thinks."

6. *Text Boxes*: Insert text boxes below each icon or image. Ensure a clean and balanced layout.

Click on the

"Create a design" button and select the custom dimensions for your Typically, infographics are vertical, so you might choose dimensions like 800x2000 pixels. Search for and

add icons or images that represent each category.

"Says," "Thinks,"
"Does," and "Feels."
Choose fonts,
sizes, and colors
that match your
design theme.

For example, a speech bubble icon for "Says" or a thought bubble for "Thinks."

If you have data or visuals to include, insert them in the relevant sections. Canva allows you to add charts, graphs, and images easily.

Consider adding a background color or image to make your infographic visually appealing. Ensure it doesn't overpower the content.

You can use
Canva's color
palette tool to
create a
harmonious
color scheme.
